

Aamko Engineering

MEP Solutiotions

Company Profile A Compiled Abstract

Phone: +966 59 076 7679

Introduction

As a global leader in MEP we provide a wide range of design, supply, engineering, installation, testing, commissioning and maintenance services to local and educational authorities, hotels, industrial sites and many more commercial applications. Our well trained engineers and technicians are skilled and experienced in specific MEP areas and equipment; hence we can serve as a one stop solution provider for MEP requirements. We have operations that trace their origin since 2004.

Our Services :

Mechanical

- HVAC Division.
- Fire Alarm and Fighting Division
- > BMS
- MEP Maintenance Service Division
- Plumbing System.

Electrical Division

- Medium and Low Current System
- CCTV System
- Sound System
- Telephone System
- Data Network

Phone: +966 55 983 0314 / 55 938 4963

Our Services:

HVAC DIVISION

Our HVAC contracting Services includes installation of HVAC products such as Air Cooled and Water Cooled Chillers, VRV, VRF, Cooling Tower, Chilled Water Pump, Chemical Dosing System, Building Management System, Water Systems, Split Units, Package Units, DX Systems, Chilled, Fresh Air Handling Units, Air Handling Units and Fan Coil Units, Ecology Unit, Exhaust System, Humidification & Dehumidification System, Air balancing and chilled water balancing, Ducting and all types of Thermal Insulation and Cladding Work.

FIRE ALARM & FIRE FIGHTING DIVISION

Installation, Maintenance, Testing and Commissioning of fire alarms & Fire Fighting System. Aamko Engineering provides Best and high quality equipment for fire fighters. We provide total fire protection solutions with trusted guarantee and service on all our products.

Phone: +966 59 076 7679

المركز الرئيسى:

Our Services:

INTEGRATED BUILDING MANAGEMENT & SECURITY SYSTEM DIVISION

We design, supply, install and maintain electronic security systems to all commercial and industrial buildings and guarantee the quality of our products and services.
